FXCM Comments on Swiss Franc Movement

NEW YORK, Jan. 15, 2015 (GLOBE NEWSWIRE) -- [FXCM](#) (NYSE:FXCM) an online provider of forex trading and related services worldwide, announced today due to unprecedented volatility in EUR/CHF pair after the Swiss National Bank announcement this morning, clients experienced significant losses, generated negative equity balances owed to FXCM of approximately \$225 million.

As a result of these debit balances, the company may be in breach of some regulatory capital requirements.

We are actively discussing alternatives to return our capital to levels prior to today's events and discussing the matter with our regulators.

Disclosure Regarding Forward-Looking Statements

Certain statements contained herein may constitute "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, Section 21E of the Securities Exchange Act of 1934 and/or the Private Securities Litigation Reform Act of 1995, which reflect FXCM's current views with respect to, among other things, its operations and financial performance in the future. These forward-looking statements are not historical facts and are based on current expectations, estimates and projections about the Company's industry, management's beliefs and certain assumptions made by management, many of which, by their nature, are inherently uncertain and beyond our control. Accordingly, readers are cautioned that any such forward-looking statements are not guarantees of future performance and are subject to certain risks, uncertainties and assumptions that are difficult to predict including, without limitation, risks associated with the events that took place in the currency markets on January 15, 2015 and the impact to the Company's capital structure, risks associated with the Company's ability to recover all or a portion of any capital losses, risks related to its dependence on FX market makers, market conditions and those other risks described under "Risk Factors" in FXCM Inc.'s Annual Report on Form 10-K and other reports or documents the Company files with, or furnishes to, the SEC from time to time, which are accessible on the SEC website at [sec.gov](#). This information should also be read in conjunction with the Company's Consolidated Financial Statements and the Notes thereto contained in the Company's Annual Report on Form 10-K, and in other reports or documents the Company files with, or furnishes to, the SEC from time to time, which are accessible on the SEC website at [sec.gov](#).
